## Sportsmanship & Fair Play Agreement

1.) I have read, understood and will abide by the rules of my sport as outlined by SASR 2.) I understand that I am responsible to call my own fouls. I will not wait for my opponent or the Games Coordinator to make that decision. 3.) I understand that if it is reported by the GC or an opponent, that I have behaved in an unsporting manner or have not played by the rules, that I could be suspended or ejected from the league, with no refund. 4.) I understand that my team captain is the only person who can approach the GC or the opposing captain regarding concerns surrounding the game. It is my responsibility to let my captain know my concerns so he/she can deal with them.
